This old time and popular restaurant still maintains its position as a favorite place for our citizens to regale themselves on all the table delicacies, which are prepared in a toothsome manner and served by polite and attentive waiters. This restaurant makes a specialty of broiled steaks and cutlets, and imports coffee of extra quality, thus being able to furnish the best cup of coffee obtainable in the city. Fresh fish every day, and an elegant chicken dinner every Sunday.

Mr. Moore, the Post Master at Bradshaw, Va., after reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, concluded to try a small bottle of it. He says: "I used it in two cases for colic and three for diarrhea with perfect satisfaction. One dose gave relief in every case but one, that was a bad case of colic and required the second dose. I have handled a great deal of patent medicine as agent and for my own use, but never tried any that gave as good results as 'Chamberlain's Colic, Cholera and Diarrhoea Remedy.' For sale at 25 and 50 cents per bottle by H. J. Petro.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing syrup, for children teething, is the prescription of one of the best female nurses and physicians in the United States and has been used for over forty years with never failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child of pain, cures dysentery and diarrhoea, griping in the bowels, and wind colic. By giving health to the child it gives rest to the mother. Price 25 cents a bottle. Jan 26-19

Not a fit but an expression of delight. "About a week ago," says a Los Angeles, Calif., druggist, "a Chinaman came in with a lame shoulder. I sold him a bottle of Chamberlain's Pain Balm and guaranteed that it would cure him. He came in again last night and as soon as he got inside the door began to swing his arms over his head like an Indian club swinger. I thought the blamed fool had a fit, but he finally stopped long enough to say: 'Medicine verry fine, verry fine; alle same make me feel plenty good.' Chamberlain's Pain Balm, is without an equal for sprains, rheumatism, aches, pains or lame back. For sale by H. J. Petro.

Swift's Specific cured me of a malignant breaking out on my leg, which caused intolerable pain. It was called Eczema by the doctors—four of whom tried to cure me with no relief. I carefully consulted Dr. L. C. Swift, and good health is now mine again. In my estimation it is invaluable as a household remedy.

Our baby when two months old was stricken with scurvy, which for a long time past, proved very difficult to cure. We turned to Dr. L. C. Swift, who cured her in a short time. She is now a healthy and happy child. Dr. L. C. Swift, Wall's Point, Texas.

I am satisfied that Cancer is hereditary in my family. My father died of it, a sister died of it, and my even sister died of it. My father died of Cancer, and with the horrors of the disease he was tormented to death. It could not be cured. Numerous remedies were used, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of my family. I took Swift's Specific, which from the first, freed me of the poison, and continued it as long as I had to live, and when I found myself well, I thanked Dr. S. S. Swift, and Mrs. S. M. Idol.

Our little girl when but three weeks old broke out with a sore. We tried the prescription from several good doctors, but without any special benefit. We tried Dr. S. S. Swift, and by the time one bottle was used her sore began to heal, and by the time she had taken one bottle she was completely cured. Now her health is full of life and vigor—a remarkable result. I feel it my duty to make this statement. H. T. SHOPE, Rock Hill, Mo.
